Enrich UofR Leadership Team (Lead by the UofR Apprentice)

This team will be led by the University Apprentice and built by the Apprentice with support from the Lead Pastor. This team is still a volunteer team but they will have more responsibilities than a typical volunteer. They will get an honorarium at the end of the school year for their work. These three positions are reserved for current Enrich UofR Students since the student club can only be run by students.

This team is lead and mentored by the Enrich UofR University Apprentice with Support from the Lead Pastor.

4. Volunteer with the URSU cares pantry and filling the community the fridge with Enrich UofR. In charge of food ordering and picking up for that (or organizing pickup if they cannot pick up).

Leadership Retreat(s) and Meetings:

We do not want to create a hierarchy at Enrich Life. This means that we want our entire leadership to be visible with everyone (even though specific people will be working together). We want to do this so that people can have different roads of accountability with Enrich Life. If someone needs to go around their leader or report something that has hurt them etc. they will know the other leadership in our church so they know where to go for help.

We want to meet as an entire leadership team once-twice a semester in mini-retreats. These will be longer meetings where we discuss the health of each other and our church. We will also discuss the book we are reading and bring in someone to do leadership growth for our church community. We want Enrich Life to be healthy and visible to each person filling a leadership position rather than feeling micromanaged or having no relationship with the other leaders.

We will do an overnight retreat in the winter semester as an entire leadership team. We will provide the details and dates as you sign up for your leadership position.
